WE'RE DETERMINED to arrive at every seasonal soirée bearing gifts so well-matched to their recipients that we could moonlight as mind readers. The trick is knowing where to shop. To that end, we present Storeadore.com's guide to the best local stores and websites for every personality.

CELEB STALKER: If you've seen it on Cameron, Jessica, or any of the Jens, you can find it at **Blondette**, a newly launched e-shop with more celebrity pics than your favorite weekly, and a click-and-buy option to snap up whatever the current It Girls are wearing—right this minute.
ON OUR LIST: The plush boudoir shrug from Mary Kate and Ashley's Elizabeth & James, Love Quotes scarves, LNA metallic zipper leggings. *Visit blondette.com.*

FASHION FIEND: She's on a first-name basis with fashion designers and rocks just about every look the moment it's left the runway, so shop for her at **Emily Grace** of Rockville, Maryland. The boutique and its site have made waves in the area with a New York-style selection of covetable clothing and accessories from a host of top designers.
ON OUR LIST: Stacks of metallic bangles, autumn cashmere popcorn scarves, glam Rebecca Minkoff satchels. *Visit shopemilygrace.com.*

IMPOSSIBLE GUY: Newly launched **Redpig Gifts** offers a well-chosen collection of fine items culled from tomorrow's trend market. While you can shop for any occasion or type of gift (baby, friend, gourmet, garden, and more), we depend on the chic e-boutique to come up with gold-medal gifts for that impossible-to-buy-for guy.
ON OUR LIST: Skull swizzle sticks, double-sided cashmere scarves, mod fiber-optic cuff links. *Visit redpiggifts.com.*

THAT PERSONAL TOUCH: A gift stamped with the recipient's initials shows the utmost thoughtfulness. When the occasion calls for something truly individual, mouse your way to **Spreadshirt**, where you can choose from a variety of high-quality products and add your own text and motifs.
ON OUR LIST: Cotton tote bags stamped with personalized logos, monogrammed aprons, custom tees for the family pet. *Visit spreadshirt.com.*
