SAFETUSSIN PM

Manufactured by: Kramer Consumer Healthcare

Safetussin PM provides safe and effective cough relief for patients with high blood pressure or diabetes, and can also be used in patients without these conditions. It is free of decongestants, sugars, alcohols, dyes, and gluten. It contains dextromethorphan 7.5 mg as a cough suppressant and doxylamine succinate 3.125 mg as an antihistamine. The recommended dose for adults and children 12 years and older is 4 teaspoons every 6 hours. Patients should consult a physician about using the product in children 4 to 12 years of age, and it should not be used in patients younger than 4 years.

CETAPHIL GENTLE SKIN CLEANSING CLOTHS

Manufactured by: Galderma Laboratories, LP

Cetaphil Gentle Skin Cleansing Cloths bring the classic Cetaphil Gentle Skin Cleanser to a convenient, single-use cloth. The cloths are dermatologist developed and tested, and ophthalmologist tested, to leave skin feeling fresh and clean without disturbing the skin's natural pH balance. The cloths can be used to remove makeup or impurities, without the need to rinse after use, and without irritating skin. The cloths are fragrance free, noncomedogenic, and hypoallergenic. Packages contain 25 premoistened cloths.

NORDIC PROBIOTIC

Manufactured by: Nordic Naturals

Nordic Naturals introduces Nordic Probiotic—an allergen-free probiotic containing no dairy, wheat, gluten, corn, or soy—which can be used by patients with digestive issues or food sensitivities. It contains 12 billion active live cultures, including *Lactobacillus acidophilus* DDS-1, along with prebiotics, to help support friendly bacteria growth and promote digestive system balance. It is packaged in 60-count bottles, and the highly stable formula requires no refrigeration. The recommended dose is 2 capsules daily, before meals, preferably in the morning or as directed by a health care professional or pharmacist.

BREATHE RIGHT NASAL STRIPS EXTRA CLEAR FOR SENSITIVE SKIN

Manufactured by: GlaxoSmithKline

Breathe Right Nasal Strips Extra Clear for Sensitive Skin contain an extra spring-like band and are 50% stronger than Breathe Right Original Tan Nasal Strips, to provide extra help in opening nasal passages. The drug-free strips are indicated to instantly relieve nasal congestion by lifting nasal passages and opening the nose to improve airflow. The nasal strips are available in 10- and 26-count packages at supermarkets, pharmacies, and major retail stores, and online.
