Spring Fever!

With Spring almost upon us, these two products that are must-haves this season. One of them will tone us up and get us ready to hit the beach, and the other will transport us to an island getaway, even if we're stuck at the office.

Dermelect Cosmeceuticals Lipo-Conquer Body Toning Cream

Bring back your beach bod with **Dermelect's Lipo-Conquer Body Toning Cream (\$45)**. Some highlights of this product include:

- Boosts skin elasticity by breaking down cellulite, reducing water retention and enhancing circulation to smooth out and firm up problem spots
- Vitamins A and E bolster skin's collagen fibers to visibly contour and firm skin's surface

- Ginkgo Biloba enhances cell renewal and replenishes moisture, leaving skin supple and smooth to the touch
- Caffeine fights stretch marks, cellulite and fatty deposits

The Body Deli, Island Ginger Mini Kit

Can't make it to the islands, or want to make the memory last? **The Body Deli's Island Ginger Mini Kit (\$20)** is the perfect travel size and will recreate your island experience, no matter where you are.

- Includes one bottle of Island Ginger Botanical Body Wash, one bottle of Island Ginger Botanical Body Lotion, and your choice of either the Botanical Body Oil or Botanical Body Mist (each 2oz. so it's perfect for traveling).
 - Made with high-grade, organic ginger, clove and grapefruit, fresh from the source, which sweet and spicy aroma is sure to wake up your senses.
 - Delivers therapeutic hydration and gentle cleansing with key ingredients such as pure African Shea Butter, Avocado, Coconut, Aloe Vera juice and cold-pressed plant oils, deeply penetrating the skin for long lasting effects.
