KIDS

**LET'S MAKE SOME MUSIC** Get your creative juices flowing with a family-oriented musical workshop with New England Conservatory percussionist Maria Finkelmeier. Finkelmeier will introduce basic rhythm structures while inviting the public to interact with a large, unconventional musical "instrument" designed specifically for this event. Part of "Illuminus D," a series of free events at the new Lawn on D adjacent to the Boston Convention and Exhibition Center, the whole family can come together to experiment and have fun making music. *Oct. 11 at 5:30 p.m. Free. Boston Convention Center, The Lawn On D, 420 D St. [www.illuminusboston.org](http://www.illuminusboston.org)*
