IS BIGGER BETTER?

The city you call home has an influence on breast size to some degree. What's the norm in your part of the country?

HOT TREND

CALORIE-FREE CHOCOLATE!

Whether you just polished off a heavy meal or you simply need to satisfy your cravings, you can give into sweet temptation without compromising calories. The only true guilt-free "dessert," even though it's technically not edible, is Le Whif. Developed by a Harvard professor, within the lipstick-looking tube is a small chocolate-scented cylinder that you can sniff as needed to get your chocolate fix. *\$6.50 for a three-pack, lewhif.com*
