WE'RE OBSESSED!

We have a total crush on [Emmy Rossum](#)'s chic 'do. Find out why in this week's installment of [Celeb Hairstyle of the Week](#)!

Emmy Rossum is on a roll lately! Over the past few weeks, she's topped both our [Celeb Hairstyle of the Week](#) and [Friday's Fashion Obsessions](#). This week, we're giving props to the *Shameless* actress for the super sweet braid she wore to a recent event.

Doesn't this look just make you want to smile? It's so youthful and fresh and absolutely on trend with the added bobby pins in the front. Want to steal them for yourself? Emmy opted for [ban.do](#)'s Flash Bobbi Pins in Blush!

I turned to Nick Penna Jr., owner and lead stylist of [SalonCapri](#), with locations in Boston, Dedham and Newton Highlands, Massachusetts, to get the breakdown on Emmy's look so you can recreate it yourself.

Get the look

Got long hair? If you're looking for a 'do that's a bit dressier than a simple pony but more casual than a high maintenance updo, Nick suggests Emmy's pretty plait. Here's how you can steal her style:

1. Start off by blow drying your hair.
2. Next, gather hair to one side in a low ponytail, securing it close to the base of your neck with a clear elastic.
3. Now it's time to start your braid! Create a braid incorporating hair from one section into the other until you run out of hair. Then secure with another clear elastic.
4. Finally (here's the secret!), with a pair of scissors, carefully cut out the top elastic to give the braid a loose, casual look.
