The wife of Red Sox pitcher Clay Buchholz will be the latest celebrity to show off her burrito-rolling skills at Anna's in Brookline July 9. The blonde beauty, a model and television host who appeared on "Deal or No Deal," hopes to raise some dough for the new Clay Buchholz Foundation, which the couple launched this year to provide health and educational opportunities to children in need.

The celebrity burritos cost \$10, and Lindsay, who is expecting her second child this September, will be at the 446 Harvard St., restaurant from 6 to 8 p.m.
