

What's Making Us Happy This Week

EDITOR PICKS FOR FEBRUARY 25

Totally snackable pretzel crisps, cast iron muffin pans, and color-washed vases are just a few of the things we're eyeing this week!

1. **Industry City Vodka**: Perfect with a splash of soda! Lots of flavor.
2. **Pretzel Crisps** from Snack Factory: Honey Mustard & Onion flavor. Can't....stop....snacking... Oops, all gone.
3. **Fort Standard Crest Bottle Openers**: Emma can't get over these. WANT!
4. **Cast Iron Muffin Pans**: Faith is fairly obsessed with vintage cast iron muffin and popover pans at the moment.
5. **Quaker Caramel Corn Rice Cakes**: We've been munching on these sweet treats as an afternoon perk. Gluten-free and 50 calories a pop!
6. **PB Crave Choco Choco Peanut Butter**: Totally indulgent. Totally worth it. Also certified gluten-free.
7. **Color Gloss Vase** from Leif: These gorgeous vases are making Cambria long for spring.
