GIRLS HOLIDAY GIFT GUIDE

Ladies gotta get those presents

90+ CELLARS HOLIDAY ESSENTIALS

Six bottles, all picked out and ready to go

Ensure your special lady oenophile is well stocked for her annual Human Trafficking Awareness Day bash (January 11th!) with this six-bottle assemblage of local holiday vinos (from the Allston-based booze purveyors), all of which are paired with easy-to-prepare party recipes and packaged in a festive box.

Ladies like wine and festive boxes. This is a no-brainer.

PAIN D'AVIGNON'S BREAD OF THE MONTH CLUB

Actually awesome breads straight from the Cape

Give the gift that says, "I don't care if you eat carbs, as long as you do a crap ton of Pilates or whatever", by hooking the flour-loving femme in your life up with this Hyannis bakery, who'll send her everything from chocolate & hazelnut bread molded into the shape of a heart for February, to raisin and pecan pull-apart rolls come November. *Seriously, this isn't like some lame cheese of the month club. This is actually sweet. Plus, she'll give you some. Check it out here.*

PAINT NITE

Drink and do art

Give your artistically inclined GF the gift of both a new hobby *and* a night away from you by signing her up for Paint Nite, a roaming series of themed painting classes/booze-drinking sessions taking place in bars across the Hub.

She'll be like, "You're so creative and thoughtful" if you sign her up here
