St. Vincent and the Grenadines

Petit St. Vincent

Average January high: 82°

Why we love it: This 32-island chain has celebrity cool and will be an even easier place to reach when its new international airport is completed in mid-2015.

Where to stay: Go all the way with your own private island: Petit St. Vincent offers 22 cottages spread across 115 acres, so you'll never have to see another soul. 954-963-7401 or psvresort.com
