Take a look at this month's editors' picks.

WRITTEN BY NICOLE ALTAVILLA & JENNIFER JAMES

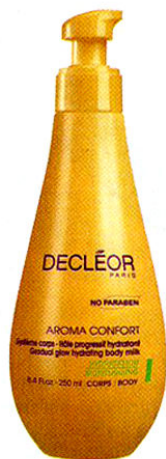

**Company:** HydroPeptide  
**Product:** Anti-Wrinkle Polishing Crystals and Plumping Activator help diminish the appearance of fine lines and wrinkles, while lactic acid and vitamin C remove dullness and discoloration. A nourishing, antioxidant blend contributes added wrinkle-fighting benefits.  
**Website:** www.hydropeptide.com

**Company:** Dermelect Cosmeceuticals  
**Product:** Runway Ready Luxury Foot Treatment is enriched with argan oil, arnica, exfoliating hydroxyl acids, and shea butter to repair and revive tired feet.  
**Website:** www.dermelect.com

**Company:** Decléor Paris  
**Product:** Gradual Glow Hydrating Body Milk is a paraben-free moisturizing milk that contains DHA to create a natural and gradual glow and essential oil of magnolia to soothe the skin.  
**Website:** www.decleorusa.com

**Company:** GlyMed Plus  
**Product:** Cell Science Tan In Fast-Acting Sunless Tanning Cream glides on easily to provide instant color and natural-looking results that gradually deepen throughout the day. It also contains conditioners and vitamins to improve skin texture.  
**Website:** www.glymedplus.com

**Company:** NUXE  
**Product:** The Rose Petal Cleansing Range, which helps improve the complexion, includes Melting Cleansing Gel, Gentle Exfoliating Gel, Clarifying Cream-Mask, Micellar Cleansing Water, Micellar Foam Cleanser, Comforting Cleansing Milk, and Gentle Toning Lotion.  
**Website:** us.nuxe.com

**Company:** OPI  
**Product:** Avojuce Skin Quenchers Hand & Body Lotion in Sweet Tea features an enticing blend of aloe, avocado, melon, and red tea to leave skin feeling rejuvenated.  
**Website:** www.opi.com

**Company:** Ilike Organic Skin Care  
**Product:** The products in the Ultra Sensitive Skin System help promote even skintone, improve skin's health, and rejuvenate skin cells. The system includes Ultra Sensitive Cleansing Milk, Toner, Body Lotion, Whipped Moisturizer, and Exfoliating Mask.  
**Website:** www.szepelet.com

**Company:** Pevonia  
**Product:** Self-Tanning Emulsion combines natural color with chamomile, sugar cane, and vitamins B and E to soothe, calm, and heal the skin while gradually delivering a smooth, streak-free tan.  
**Website:** www.pevonipro.com
