Lotion Sensors

A new crop of moisturizers specific to hands and feet offers varying degrees of texture and tons of hydration.

CUCCIO NATURALÉ LYTE VANILLA BEAN & SUGARCANE ULTRA-SHEER BODY BUTTER

Benefits: As the name implies, this light-as-can-be moisturizer leaves a sheer veil of hydration that works for 24 hours—with a delicious scent to boot. (cuccio.com)

OPI AVOJUICE SKIN QUENCHERS SWEET TEA HAND & BODY LOTION

Benefits: As refreshing as drinking a tall glass of sweet tea, the new scent blends red tea and melon fragrances into a formula loaded with skin-smoothing and soothing avocado and aloe. (opi.com)

CND SCENTSACTIONS MAGNOLIA & MANDARIN LOTION

Benefits: The signature lightweight aloe vera-infused formula seeps into skin quickly, while the new aroma (a blend of soft magnolia and sweet mandarin) lingers just long enough. (cnd.com)

LCN FRUIT & YOGHURT MULTIVITAMIN HANDCREME

Benefits: This nourishing, fresh-fragranced hydrator blends yogurt with vitamins A and E to not only leave skin velvety soft, but also tighter. (lcnusa.com)

DERMELECT COSMECEUTICALS RUNWAY READY LUXURY FOOT TREATMENT

Benefits: This rich treatment cream does it all: reduces inflammation in overworked feet; locks in much-needed moisture; and sloughs away toughened skin. (dermelect.com)
