Who Wears It Best:

Color-Block Beauty

The color-block trend that has been all the rage in fashion is taking over beauty! Demi's neon nails and matte pout pair perfectly because they're both super trendy. Cameron's combo of fuchsia lipstick and orange lacquer would work better if the colors created more of a contrast. Maria's tangerine polish is so light, it complements a sheer strawberry gloss.

CAMERON DIAZ

MARIA MENOUNOS

She rocked it!
