Beat The Heat With These Beauty Editor-Approved Summer Essentials

Megan's Most Wanted
R29'S SENIOR BEAUTY EDITOR, MEGAN MCINTYRE, DISHES ON THE PRODUCTS THAT GET HER THROUGH THE DOG DAYS OF SUMMER.

"Creamy texture, hydrating formula, lush color...this lippy has it all."

1 Leilani Bishop Lilac Fragrance Oil / 2 L'Oréal Colour Riche Caresse Lipstick in Velvety Fuchsia / 3 Butter London Mucky Pups Foot Wipes / 4 Dermelect ME Peptide-Infused Nail Color Treatment in Head Turner / 5 Yves Saint Laurent Pure Chromatics Eyeshadow in Harmony No. 10 / 6 Dr. Jart+ Water-Max Sleeping Mask

"I consider golden-green one of the sexiest, most flattering shadow shades a girl can wear."

4. Dermelect ME Peptide-Infused Nail Color Treatment in Head Turner

"This new lacquer line boasts itself as the world's first-ever anti-aging nail polish, thanks to an infusion of peptides. I don't know about those forever-young claims, but I do know that after wearing this hot orange color for a few days, my split-prone nails actually did look and feel a little more fortified."

\$14, available at [Dermelect](#).
