HOTstuff

Get the season off to a beautiful start with these great product picks.

How'd you like to wake up to more beautiful skin? **Sebumed Anti-Dry Night Intensive Cream** is rich in ingredients that help regenerate sensitive skin, relieving dryness and irritation while you sleep. It's the perfect antidote to winter's bitterly cold winds and dry indoor heat! SRP: \$23.95; visit sebumedusa.com for more information.

Touchback Plus is the first line of Shampoos, Conditioners and Leave-In Conditioners containing temporary color to help stretch the time between permanent touch-ups. With eight Color shades as well as Clear, you can customize the perfect combination for you. The formulas contain UVA/UVB sunscreens and antioxidants

to protect your hue and are ammonia-, peroxide- and sulfate-free; \$24.95-\$29.95 at Touchbackplus.com.

This winter, maintain a plump pucker, even when faced with dropping outdoor temperatures and dry indoor heat! **Kimara Ahnert Mint Lip Gloss Wand** is ultra-sheer and shiny with a delicate fresh spearmint taste and it contains vitamins C & E and Aloe Vera for smoothing and healing. Available in 8 minty-fresh shades for \$24 at kimara.com.

Give dry, chapped hands some TLC with **Timeless Anti-Aging Daily Hand Treatment** from **Dermelect Cosmeceuticals**. Designed to condition, hydrate and strengthen skin, it's also water-reactivated—perfect for frequent hand-washers! Plus, it tackles age spots and protects against free-radical damage while gently exfoliating skin; \$22 at dermelect.com.

Winter's cold, dry air can wreak havoc with your hair. To the rescue: **Infusium 23 Leave-in Treatments**, which come in four formulas: Repair and Renew to strengthen hair against damage and alleviate breakage; Moisture Replenisher, to restore moisture to super-dry hair; Frizz Controller, to smooth frizz-prone strands, and Color Defender, to keep color vibrant. SRP: \$6.99 at drugstores nationwide.
