who
does it
better?

Milla Jovovich & Christina Hendricks

Copy Cut: Red-Hot
Textured Bob

'Do Details: "This re-structured Farrah Fawcett look features loose, feathered curls. The mane is made modern with a side part and angled bangs."

The Verdict: "Milla makes this hairstyle look effortless—her softer, less full shape works well for a lot of occasions." However, to dress it up at night, Penna suggests adding the volume and structure of Christina's version. Lionel Hahn/AbacaUsa; Francois Durand/Getty Images.

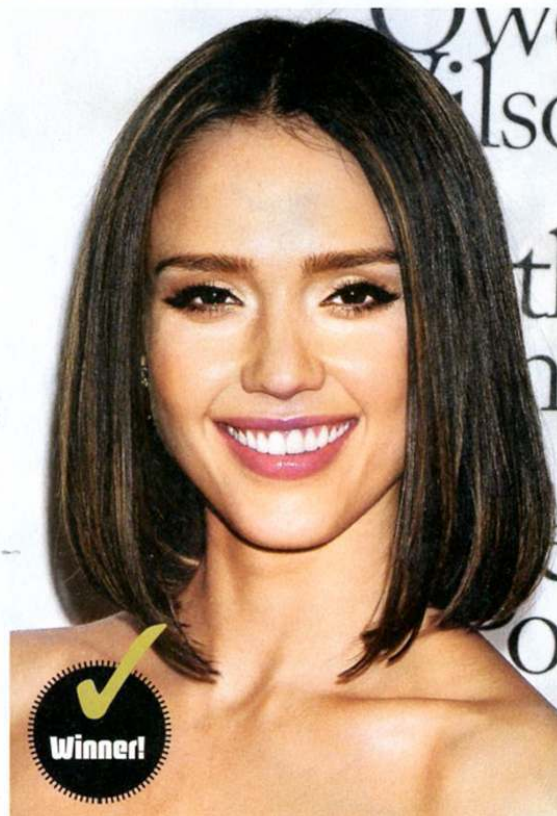

Alyssa Milano & Jessica Alba

Copy Cut: Sleek, Center-
Parted Bob

'Do Details: "The graduated cut not only draws attention to the face, but also to the collarbone. It's a simple way to make a statement."

The Verdict: If your hair hides your face rather than showing it off, there's a problem! "Jessica's hair curves in toward the chin so it's straight without being flat. Alyssa's bob looks unfinished because it lacks that shiny, sleek luster." Also, up-front pieces spilling into her face look messy.

As trends take hold, multiple stars are bound to give them a try! Nicholas Penna, Jr., owner and lead stylist of SalonCapri in Newton and Dedham, MA, gives us the scoop on 4 popular looks and how to pull them off to perfection.

Minka Kelly & Leighton Meester

Copy Cut: Long, Tousled Waves

'Do Details: *The Roommate* co-stars could have been separated at birth! "Their look lends itself to playing up dynamic color and showcasing the hair's softness and touchability."

The Verdict: Minka's face-framing waves complement her face shape and make her look put-together. "Leighton's come across as careless, not effortless. She could also use more volume at the roots to prevent hair from falling flat around her forehead." Michael Kovac/WireImage; Jennifer Graylock/istudios.

Chloe Moretz & Danni Minogue

Copy Cut: Wavy Bob

'Do Details: "This is a mature look that adds contemporary edge to anyone's style, no matter what their age," says the stylist.

The Verdict: "Danni has the face shape, structure and attitude to wear this, and the length and volume give it a flirty edge. "Chloe's waves are a little too uniform, which causes her locks to hug her face in an unflattering way." Sara De Boer/Startraksphoto; Don Arnold/WireImage.
