Model: Annabelle, Wilhelmina Denver. Hair by Angel Perna, Flirt Salon. Makeup by Aldo Celeste, glö Studio at Flirt Salon. Location: Lola's Sugar Rush, Littleton

Crave it. Consume it. Celebrate it. This Spring is all about a confection connection. The clothes are bright, playful, and of course, saccharine. Hot pinks are party-ready and offer the perfect dose of bubblegum bravado while geometric stripes lend themselves to cherished childhood memories of candy canes, lollipops and mints with swirls.

Whether you don a wrap dress or a shift dress, keep patterns playful and colors bright. Add flirty touches like ruffles, V-necks and short hemlines for sexy sophistication. The perfect accessories offer a contrast to the syrupy styles; black and gold beads add edge, and burgundy pearl string beads keep Barbie at bay. This Spring is sugar and spice and everything nice. Gumdrops not included.
