LaVanila Mini Roller-Ball Set lavanila.com

We all know that traveling can be a hassle, especially with all of your beauty products. This month, pack your bags and head for an exotic destination or somewhere close to home without being weighed down by excess cosmetics. We've tracked down the latest in travel-friendly beauty. Headed to the beach and need a quick polish? Grab a Nic's Sticks nail polish pen and paint away. Going for a long weekend? The Body Deli's organic, travel-sized body care kit will satisfy your skin's needs without taking up too much space. And after a long plane ride, the Bear Naked wipes are just what you need to freshen up while on the go. Bon voyage! TEXT Nikki Aviotti
