## MUST HAVE | Product Premiere

It's good luck to kick off the season with fresh spa items.

**BiON Naturally Clean Body Wash.** This formulation contains antibacterial qualities, making it ideal for acne-prone and active clients. **877.715.2466, [bion-research.com](http://bion-research.com)**

**Anastasia Beverly Hills Hydrating Oil.** Part of a new line from the renowned esthetician, this oil moisturizes the skin of the face and neck. **[anastasia.net](http://anastasia.net)**

**SkinAgain C<sup>2</sup>Gel Crystal Conductive in Mala-Kite.** Best for use with ultrasonic devices, this product provides minerals to the skin and soothes with aloe vera. **877.754.6769, [skinagain.com](http://skinagain.com)**

**Skin 2 Skin Care Anti-Photoaging SPF 30 in Neutral Dark Tint.** Clients also benefit from the UVA and UVB blockage in this tinted moisturizer. **877.754.6790, [skin2skincare.com](http://skin2skincare.com)**

FOR USE with  
ULTRASONIC  
skin DEVICES

the power of liquefied  
crystal energizes skin  
at cellular level

NET WT. 6 FL. oz. / 236ml e

**Repêchage Rapidex Marine Exfoliator with Phyto-Marine Actives.** Each vial contains a combination of ingredients—including lactic acid and algae extract—that refines fine lines overnight. **800.248.7546, [repechage.com](http://repechage.com)**

**Hale Cosmeceuticals Patent-5 Peptide Booster.** This serum stimulates circulation to improve texture and tone the skin. **800.951.7005, [halecosmeceuticals.com](http://halecosmeceuticals.com)**

**Dermelect Cosmeceuticals Redness Rehab Rosacea Relief.** Emblica, green tea and shea butter ease the symptoms of rosacea clients. **888.MY.DERMELECT, [dermelect.com](http://dermelect.com)**
