GLOW ON THE GO

Infinity Sun combines all-natural anti-aging sunless tanning and high-end beauty treatments, leaving the skin looking radiant and healthy with a natural-looking golden brown glow.

The Infinity Exfoliant (\$40) is a gentle, skin-renewing formula that polishes and exfoliates with natural, non-abrasive pineapple fruit enzyme. Smooth the surface of your skin, leaving only young and healthy skin cells to exhibit a long-lasting sunless tan.

Infinity Extend (\$40) is a super-hydrating serum containing the highest quality antioxidants, botanicals and DHA. This product is designed to keep the skin soft and silky-looking and to extend the tan for an additional 2-3 days.

Infinity Sun Glow on the Go (\$35) is an all-natural, anti-aging sunless tanning aerosol. Containing only the most natural ingredients, without harmful propellants or alcohol, it's propelled by air, so it's as safe for the skin as it is for the environment. Brown with a slightly pink undertone, it suits all skin tones.

NOVOTHINK SOLAR SURGE

Novothink presents the world's only Apple-certified solar charger carrying case for the iPhone. It doubles the battery life of your phone by using cutting-edge solar panel technology to power up directly from the sun. It's perfect for traveling, hiking, biking and trips to the beach. (\$79.95, novothink.com)

FINIS XtreaMP3

When you'd like to hear more than the sound of the waves breaking, this waterproof mp3 player let's you take your tunes with you. Perfect for surfers and triathletes, the XtreaMP3 provides 1GB of music (up to 240 songs) and gives you waterproof sound for depths up to 15 feet. Attach it to the neoprene arm strap and you're good to go. (\$149.99, finisinc.com)

PRODUCT GUIDE

FIGHT FOR EQUALITY PENDANT

The recently designed Fight For Equality pendant is now available to the public. A portion of proceeds from each sale will be donated to Cyndi Lauper's True Colors Fund and the American Foundation for Equal Rights in support of LGBT equality. The sterling silver, hand-polished pendant was designed as a symbol of strength and empowerment during our fight for equality. (\$80, fightforequality.net)

THE TUNEBUG SHAKE

Bring your music along with you while biking, skiing and skating. The Tunebug Shake is an ultra-portable sound generator for helmets that creates a surround-sound experience while still keeping you aware of your surroundings. It can be connected to your iPod, mp3 player or phone via Bluetooth and provides up to five hours of playtime. (\$119.95, tunebug.com)

DERMELECT FACIAL ARMOUR

Unprotected exposure to the sun can lead to skin damage, but a dose of this lightweight, moisturizing formula helps protect your skin. In addition, it has been formulated with Dermaxyl Anti-Aging Complex, an anti-aging, multi-peptide technology clinically shown to decrease the appearance of wrinkles. (\$42, dermelect.com)

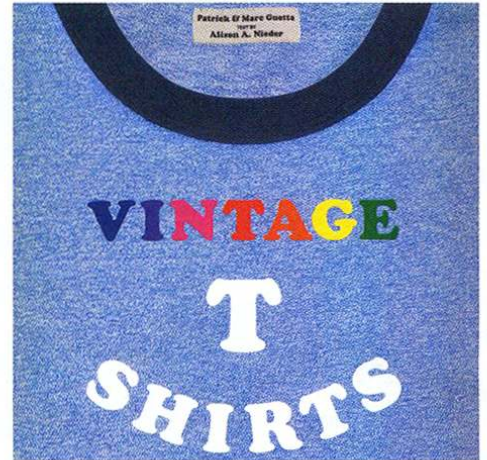

MANTAGGED

Mantagged, a T-shirt company based out of New York, prefers men with their shirts off, but for the sake of civility has crafted a selection of tees, tanks and muscle shirts for gay men who'd like to make a statement and garner attention—and possibly a few phone numbers. (\$20-25, mantagged.com)

OCEAN7 DIVE WATCH

The OCEAN7 Watch Company has solved an issue that has dogged watch wearers for years—the ability to customize, clean or service one's own watch bezel. The new LM-1 features the world's first removable and interchangeable bezel system for a professional diver's watch. Like all of Ocean7's watches, the LM-1 is produced in a limited edition and is hand-made by Swiss watchmakers. (\$699-999, depending on finishes, ocean7watchco.com)

VINTAGE T-SHIRTS

What better way to celebrate the start of summer than to invest in some vintage tees? Take a look at the cream of the crop with *Vintage T-Shirts*, a new coffee table book from gay-fave publishing house Taschen. Browse through more than 650 classic American tees from the '70s and '80s. (\$39.99, taschen.com)
