PROVINCETOWN, MASSACHUSETTS

Nestled within the curled hand of Cape Cod's flexed arm, Provincetown is a jewel valued for its place in history as bustling seaport and a center for literary and artistic expression. Home of the country's oldest continuous art colony, Provincetown thrives as an inspiration to masters in their craft from painting and sculpture to the theater. With its sweeping seascapes and "lands end" feel, it is no wonder that so many have come to Provincetown to find their muse or merely kick back and relax into natural rhythm of this seaside gem. Whether you choose a romantic getaway weekend or a few days of fun with friends, you are certain to fall under the magical spell of Provincetown; it is a place you won't soon forget. If you are ready for a mini-vacation this spring, fantastic deals await you in Provincetown.

RACE POINT KEEPERS HOUSE

Looking for a "green" experience? Then look no further than the Keeper's house at Race Point Light Station. Commercially provided electricity is not an option here. A photovoltaic system and wind turbine keep the lights and newly installed central heat on for guests. Located at Cape Cod's northern tip and surrounded by the unspoiled beauty of Cape Cod's National Seashore, the Keeper's house offers a one-of-a-kind experience for those yearning for something a little out of the ordinary.

THE RED INN

With views of Provincetown Harbor, Cape Cod Bay and the lighthouse at Long Point, a meal at the Red Inn is more like dinner theater. Wellfleet oysters, fresh-caught local fish and the inn's famous Rack of Lamb are just some of the delectable choices to tempt you. The Red Inn recommends reservations and will accept them up to six weeks in advance.
