MANE MUSE:
GABRIELLA
FROM "HIGH
SCHOOL
MUSICAL 3:
SENIOR
YEAR"

Getcha head in the (hair accessory) game! A chain headpiece (Jennifer Behr, shown right; or Lulu's makes cute ones) is the easiest way to give a down do a boho-esque vibe. Use mousse (like Herbal Essences Tousle Me Softly Mousse, \$4, drugstores) before blow-drying, create a center part, and slip on the headpiece. Then prepare for a night to remember.

MANE MUSE :
SAM FROM
"A
CINDERELLA
STORY"

Be a modern-day princess with a cool-girl bun—2016's version of Sam's half-up style. After sweeping the top section of hair into a knot, use your fingers to gently pull at the bun, making it more oversize. For a finishing touch, use a curling iron to add texture on loose strands and scrunch in salt spray (try Garnier Fructis De-Constructed Beach Chic Texturizing Spray, \$4.50, drugstores).

ON STERLING:

MANE MUSE:
MONICA
FROM
"LOVE &
BASKETBALL"

If dressing up isn't your thing, wow your classmates with a mega-glam sidesweep—it's a slam-dunk style. Amp up the volume toward the front by applying root spray to damp hair (try CATWALK by TIGI Root Boost Spray, \$17, ulta.com). Then create lift by holding a round brush horizontally to your head and using it to pull hair up as you blow-dry.

ON SAMIRA:
DRESS Jovani, \$750, jovani.com.
EARRINGS Lady Grey, \$170, ladygreyjewelry.com.
RING Anarchy Street, \$34, anarchystreet.com.

MANE MUSE:
KAT FROM
"10 THINGS
I HATE
ABOUT YOU"

Pile up ringlets for a do that no one could hate. After curling hair (or using your natural texture), make a messy high pony at the crown of your head, strategically pulling a few pieces forward and pinning them into place. For a sporty twist, slide on two skinny headbands like these Scünci No-Slip Grip Headwraps (\$6 for four, riteaid.com) to keep hair off your face while you're tearing up the dance floor.

ON KARINA:
DRESS Sherri Hill, \$450, sherrihill.com.
EARRINGS WWAKE, \$235, wwake.com.
RING Stella & Bow, \$63, stellaandbow.com.
BRACELETS Stella & Bow, \$45 each or \$110 for set of three, stellaandbow.com.

MANE MUSE:
JOSIE FROM
"NEVER
BEEN KISSED"

There is nothing Grossie about this romantic updo. Twist together two sections of hair along one side of your head, pinning them up in the back, then repeat on the opposite side. Pull out a few face-framing pieces—your date will want to tuck them behind your ears and then pull you in for a smooch.

ON NICOLE:

DRESS Envious Couture, \$690, rsvpromandpageant.com. **EARRINGS** Stella & Bow, \$45, stellaandbow.com.

MANE MUSE:
REGINA
FROM "MEAN
GIRLS"

On prom night, we wear flower crowns (like this one from Eugenia Kim, or check out other options at Claire's). Give your hair an undone texture (try L'Oréal Paris Advanced Hairstyle Boost It Texture Spray, \$5, drugstores, to get a tousled look) to strike the perfect balance between sweet and sassy. You go, Glen Coco.

ON LILY:
DRESS La Femme, \$338, lafemme fashion.com.
HEADBAND Eugenia Kim, \$240, eugeniakim.com.
EARRINGS Stella & Bow, \$75, stellaandbow.com.
BRACELETS (top) Stella & Dot, \$34, stelladot.com; (bottom) Stella & Bow, \$88, stellaandbow.com. **SHOES** Badgley Mischka, \$215, nordstrom.com.
