Control your skin's age...

Spanish company postQuam Cosmetics introduced DNA Intensive Age Control Serum, a highly concentrated reshaping serum specifically formulated to reconstruct the skin in depth. Its ingredients, including zinc carbonate and hyaluronic acid, provide a strong cellular cohesion that helps ensure a powerful rejuvenating action, firming and lifting flaccid skin as well as softening wrinkles and expression lines. The serum is packed in the 30mL dispenser supplied by RPC Bramlage Velky Meder.

Leave no streak behind...

Frosch USA launched Bio Spirit Glass Cleaner, an alcohol-based formula that provides streak free cleaning for glass and most surfaces. This vegan, eco friendly glass cleaner includes Bio Spirit, an active ingredient that removes grease, dirt and residue from glass without leaving streaks. It is a multipurpose spray, suitable for glass, windows, mirrors, high gloss furniture, car windows and windshields and most smooth surfaces.

Go Crazy for Halloween...

Crazy Foam launched a monster-themed line of Fun Foam Body Wash, Shampoo & Conditioners just in time for Halloween. The line includes five monsters: Pumpkinhead, Witch, Skeleton, Frankenstein and Dracula, all created for festive, foamy Halloween fun for children that makes bath time easier for parents. Each Crazy Foam monster has the same scent and is dermatologist-tested, hypoallergenic and non-toxic. The cans are supplied by Crown.
