### 1. Blade Dispenser

The SEB100AD Single Edge Blade Dispenser provides the quickest and most convenient blade access by utilizing a unique spring mechanism. The clear case enables users to remove one blade at a time while easily seeing how many blades remain. Blades are not paper wrapped, so they can be used immediately. The dispenser holds 100 high-quality, No. 9 single-edge blades. Used blades can be safely disposed of in a built-in compartment.

**Allway Tools, Inc.**

718-792-3636 or [allwaytools.com](http://allwaytools.com)

### 2. Wood Protectant

Protect and enhance wood with the flexibility and convenience of water. The Total Wood Protectant WS Series is a unique combination of chemicals that penetrates deep into wood without surface film buildup, and it highlights existing grain patterns with clarity and warmth. The WS series contains water repellents, which inhibit the damage caused by water absorption and contain carefully selected mildewcides that deter the growth of mildew on the surface of the stain. TWP WS is a low volatile organic compound formula, making it compliant in all 50 states. All of the benefits of TWP are now available in a water-based formula.

**Amteco Products**

800-969-4811 or [amteco.com](http://amteco.com)

### 3. Wood Repair Epoxy

LiquidWood® and WoodEpoxy® make permanent, cost-effective repairs to rotted or damaged wood. The products are available separately yet work together; LiquidWood serves as a primer for WoodEpoxy. LiquidWood is ideal for regenerating and waterproofing rotted, dried-out or spongy window sills, thresholds, window and door frames and millwork of all kinds. WoodEpoxy bonds permanently with high strength to most surfaces. It fills cracks, holes and voids of any size without the shrinking and crumbling of common wood fillers. It can replace or add missing or new sections in window frames and sills, furniture, sculptures, structural and decorative components both indoors and outdoors.

**Abatron, Inc.**

800-445-1754 or [abatron.com](http://abatron.com)

### 4. Electronic Pest Deterrent

The Pest-X Electronic Pest Chaser is easy-to-use and effective. It is ideal for use in homes and offices. When plugged into a wall outlet, it sends out ultrasonic signals, which are above the average hearing range of humans, cats and dogs but irritate common rodents and insects. Pest-X is available in one- or two-pack sizes.

**Bird-X Inc.**

### 5. Hummingbird Feeder

The Hummer High Rise™ by Cole's Wild Bird is a hummingbird feeder with ergonomically designed elevated perches to provide comfortable, stress-free feeding for hummingbirds. The birds are more relaxed when they eat, and bird watchers get a better view of them around the feeder while they perch. The Hummer High Rise™ is easy to fill and dishwasher-safe, and it comes with a built-in ant moat, which stops ants from invading the feeder and spoiling the nectar.

**Cole's Wild Bird Products Company**  
877-426-8882 or [coleswildbird.com](http://coleswildbird.com)

### 6. Knife and Scissor Sharpener

One of DMT's most popular tools, the Single Sided Diafold® sharpener works with many edged DIY and home tools like scissors, kitchen knives and shears, wire snips, utility knives and a wide range of garden tools. Faster than conventional stones, the sharpener's fine diamond grit provides a razor-sharp edge with just a few strokes and doesn't require any oils. Folding plastic handles protect the sharpener when it's not in use, and its durable construction will provide years of consistent performance and reliable service. The sharpener is made in the USA.

### 7. Bedbug Room Fogger

Bonide's new Dual Action<sup>®</sup> Bedbug Room Fogger has five active ingredients to kill bedbugs and their eggs for long-term control. The three-pack box contains 2-ounce aerosol room foggers. Each canister is designed to treat an average-sized bedroom. Additional new Dual Action<sup>®</sup> products include liquid ready-to-use and an aerosol spray.

**Bonide Products Inc.**  
315-736-8231 or bonide.com

### 8. Multifunctional Headwear

UV multifunctional headwear from Buff, Inc. is a simple, innovative, effective layer. It can be worn 12 different ways—from cap to balaclava, neck gaiter to hair tie. For best performance, this headwear boasts built-in sun protection, which blocks up to 95 percent of harmful rays. The COOLMAX<sup>®</sup> PRO fiber wicks moisture and dries fast for comfort on the move, while the Polygiene<sup>®</sup> treatment resists odors and the unique seamless construction minimizes potential irritation.

## 9. Classic Measuring Tape

The Lufkin Legacy Series™ measuring tapes feature a classically designed exterior, but inside they're built for performance. The measuring tapes are easy to use and durable, featuring eight feet of standout and quad-riveted end hooks on 1-inch-wide blade models. The ribbed Hi-Viz® orange accent stripe provides a better grip.

**Apex Tool Group**

### 11. Fire Starter

The Mini Dragon™ JR fire starter can be connected to a standard 1-pound fuel cylinder. The fire starter works well when camping, as it can even start damp or wet wood. It is also great for fire pits, barbecues, chimneys, heating, melting and thawing. The Mini Dragon™ JR has 25,000 BTU's of power, which allows for up to two hours of flaming. It comes fully assembled and is made in the USA.

**Flame Engineering, Inc.**

800-255-2469 or [flameengineering.com](http://flameengineering.com)

### 12. Rechargeable Flashlight

The Polysteel 600R flashlight features a patented rechargeable system with Dual Power, allowing it to run on lithium or alkaline batteries. The lithium battery doubles as a power bank with a USB-out port that enables the charging of other devices. It is waterproof, drop-proof and crush-proof and includes a Pure Beam Optics system with a twist focus. It is available in five different colors.

**13. Horizontal Winches**

The new DLx line of products features 1,200-, 1,500-, 1,900- or 2,300-pound winches for horizontal pulling applications. Additionally, they have a 1,500-pound swivel tongue jack. All winches feature a streamlined design with a charcoal gray finish and deluxe handle grip that's softer and fits a user's hand better. The winches have a patented reversible ratchet pawl and a 15-, 20- or 25-foot strap with hook installed. The jack has a heavy-duty, 8-inch slotted independent wheel, dual grease fittings to keep interior parts fully lubricated, bushing between tubes to prevent scratching and tighten fit and a vinyl sleeve on a ½-inch swivel pin to make swiveling comfortable.

## 14. Well Pump

The Superior Pump 94705 ¾-Horsepower Shallow Well Jet Pump features a rugged cast iron pump body and is designed to work with wells up to 25 feet deep. The pump features a fully adjustable pressure switch preset at 20/40 psi. A dual voltage motor, with built-in thermal overload protection, can be set for 115 or 230 volts. A glass filled thermoplastic impeller and diffuser are designed to move up to 708 gallons per hour at 1 foot of lift. The pump is built using a cast iron seal plate and offers 1-1/4 inch NPT suction and 1 inch NPT discharge.

### Superior Pump

800-495-9278 or superiorpump.com

## 15. Battery Powered Backpack Sprayer

The Chapin 24V Battery Powered Backpack Sprayer features a 24-volt lithium ion battery that provides two hours of continuous spraying and up to 58 gallons on a single charge. The operating pressure ranges from 35 to 40 PSI and features a 35-foot maximum horizontal spray stream. Santoprene seals in the pump provide chemical resistance. Padded straps offer comfort for extended use. The sprayer weighs nearly 40 percent less than competitive units, and a battery charger is included.

**16. Chalk Paint Additive**

Howard's Chalk-Tique Powder Additive for paint was created specifically for turning any latex or water-based paint into chalk-style paint. The additive gives paint a thick, creamy texture that adheres to any surface, such as wood, glass, ceramic and more. It requires minimal prep-work and adds life to furniture finishes that are beyond restoration.

**Howard Products, Inc.**

## 22. Spray Foam Insulation

Touch 'n Foam sealants expand to fill gaps and cracks, creating an effective barrier against the loss of heated (or cooled) air. The sealants ensure homeowners get the most out of standard insulation and HVAC systems. Touch 'n Foam sealants are also great for blocking moisture, dust, sound and insects. The product line includes a maximum expanding sealant and a minimum expanding sealant, a flame-resistant sealant, an exterior filler adhesive, a window and door sealant and a latex formula sealant.

### Convenience Products

27

### 24. Ultra-Thin Painter's Tape

FineLine™ Ultra Thin Painter's Tape is designed to provide precision paint lines while preventing paint bleed and edge buildup. It can be used on walls, windows and trim, hardwood floors and more. This painter's tape provides conformability and clean removal for up to seven days.

**Intertape Polymer Group**  
888-898-7834 or itape.com

### 25. Aviation Snips

The Fiskars PowerGear® Aviation Snips feature PowerGear® technology with leverage-enhancing gears to provide 40 percent more power. A spring-assisted handle helps reduce hand fatigue, and heat-treated steel blades and a forged handle improve strength and durability. The snips have a lifetime warranty.

**Fiskars Corporation**  
866-348-5661 or fiskars.com

### 26. Magnetic Pocket Level

The Smarty Magnetic Pocket level by Kapro is the only pocket level on the market to incorporate OPTIVISION™ Red: a Kapro invention that creates a strong color definition around the horizontal bubble. The bubble edges are significantly easier to see, for fast and accurate placement between the vial's reading lines. The level is made from durable cast aluminum and features gradient lines for slope measurement up to 2 percent. With strong magnets, shockproof rubber protectors and clip belt housing, it is designed for the professional tradesman.

**Kapro Tools Inc.**  
920-648-2900 or kapro.com

### 27. Oil-Base Enamel

Diamond Brite Oil Base Enamel is a smooth, durable, stain-resistant finish of oil-based enamel. Diamond Brite offers quality enamel in 12 colors and three size variations. The formula is for use on wood, concrete, masonry, hardboard and metal.

### 28. Rodent Capture Cover

The Snap-E® Cover is designed for rodent control in common areas. The product keeps captured rodents out of sight and safely keeps the Snap-E® Mousetraps (included) away from children and pets. The cover comes in a choice of four colors, including gray, black, brown and white. The Snap-E® Cover comes with one safety key to prevent accidental opening. Both the Snap-E® Cover and Mousetraps are manufactured in the USA.

#### Kness Pest Defense

800-247-5062 or kness.com

### 29. Electric Pressure Washer

The K2000 electric pressure washer delivers 2,000 PSI of TruPressure™ cleaning power and is powered by a durable induction motor. It includes convenient features, such as an on and off foot switch, a handy storage bin and two removable half-gallon detergent tanks. No tools are needed for assembly, and users can set it up and start using the K2000 in five minutes or less. Backed by a three-year warranty, the K2000 is Kärcher's top-of-the-range consumer electric pressure washer in North America.

#### Kärcher North America

877-722-6555 or karcher.com/us

### 30. Cork Handle Trowel

The Kraft Tool Co. introduces the trowel Cork Handle, which provides a secure and comfortable grip. The trowel handle shape is designed for functionality and to reduce fatigue. Slightly curved with a wider back, the handle is made to fit the hand comfortably. The natural moisture wicking properties of cork keep the handle feeling dry. The soft texture of cork creates a more comfortable grip for contractors and DIYers. It is available exclusively on Kraft Tool's Elite Series™ product line.

#### Kraft Tool Co.

800-422-2448 or krafttool.com

### 31. All-Purpose Adhesive

Simple Bond is a nontoxic, all-purpose adhesive that forms strong, flexible and water-resistant bonds to porous and non-porous materials including cement, brick, tile, metal, fabric, ceramic, wood and foam. It dries clear, making it ideal for home repairs, crafts, furniture repairs and more. Simple Bond joins the Tear Mender line of adhesives that also includes Tear Mender Instant Fabric & Leather Adhesive and Vinyl Mender Clear Adhesive Patch.

## 40. POS System

Paladin Data Corp. provides an easy-to-use point of sale solution for retail hardware stores of all sizes. Paladin's Market Driven Inventory Management™ uses a retailer's own sales data to predict which products customers will be looking for in the weeks to come. The system allows users to dramatically reduce price shopping and ordering time, lower their inventory investment and have the right products available when customers need them.

## 41. Replacement Grip

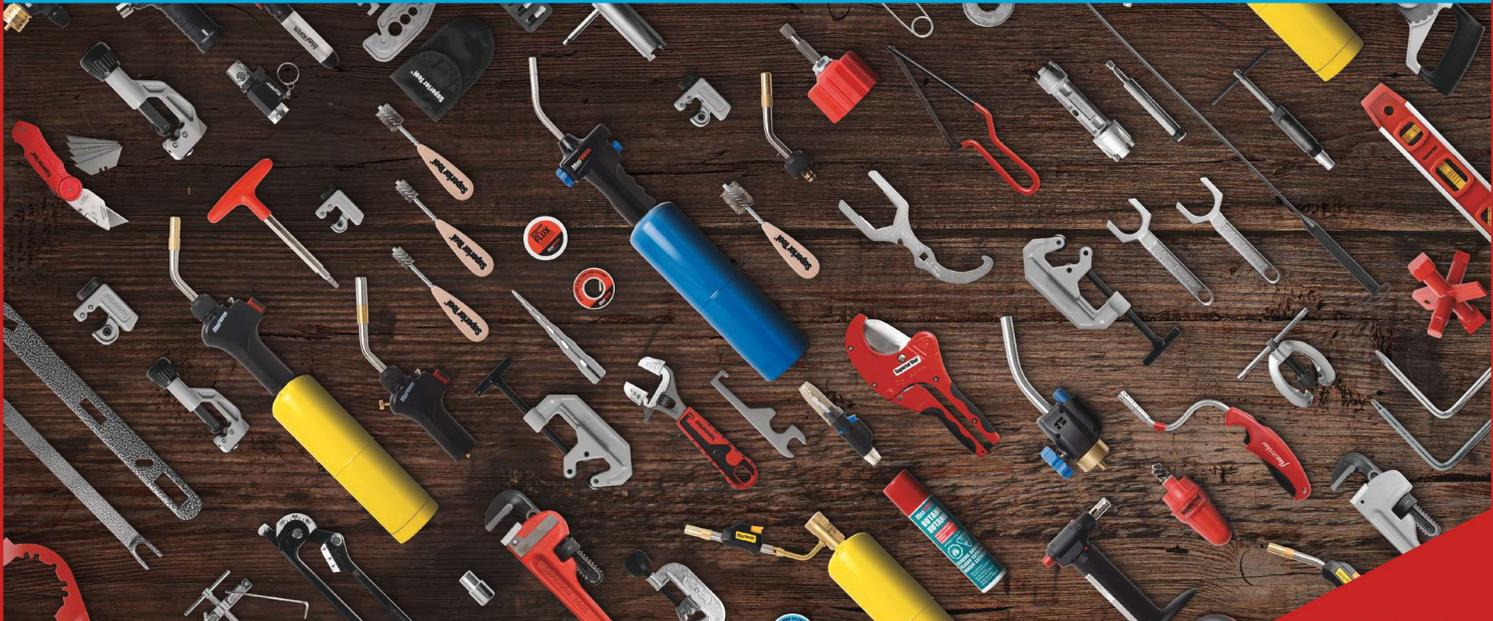

Re-Grip is a simple way for homeowners to replace the grip on practically any handle, lever or tool. To use the Re-Grip, users slide it onto a handle and hold it securely in place where they would like their new grip. Then, pull the tab to unwind the inner coil. Instantly, the grip will constrict and form snugly around the handle. It is UV resistant, chemical and dip tested and uses a strong, durable material to provide mechanical and environmental protection while enhancing comfort for the user.

# Zerust®

Stop Rust Before It Starts

Zerust provides the ultimate line of products to protect your metal valueables from rust and corrosion. The patented technology is odorless, non-toxic, eco-friendly, and lasts up to five years.

National Hardware Show  
Booth #8856

**Zerust Toolbox Drawer Liners** combine Zerust's corrosion-inhibiting formula with a heavy-duty, non-slip PVC rubber. The quality rubber liners can be cut to fit inside toolboxes, drawers, storage boxes or shelves to prevent denting, slipping, mold, mildew and, most importantly, rust.

Provides protection for five years.

Fire-retardant and non-toxic.

- 12" x 72" Non-Slip Solid & Non-Slip Mesh
- 18" x 96" Non-Slip Solid
- 22.5" x 118" Non-Slip Mesh

### The Zerust Table Saw Cover

is made with a corrosion-inhibiting formula to provide Vapor Corrosion Inhibitor (VCI) protection to the surface of your table saw.

The Table Saw Cover protects against rust and corrosion for up to five years.

- 63" x 45" x 19" (L x W x H)
- 72" x 45" x 19"

**43. Fast-Setting Concrete Mix**

The new QUIKRETE® Fast-Setting Concrete Mix Bonus Bags now contain 60 pounds of QUIKRETE® Fast-Setting Concrete Mix. The mix hardens in 20 to 40 minutes and gains enough strength to build on in two hours. It's recommended for pouring sidewalks, patios, driveways and other concrete surfaces that need to quickly reopen for foot or vehicle traffic.

**44. Smart Video Doorbell**

The Smart Video Doorbell from smanos is an all-new addition to the smanos smart home portfolio. When someone presses on the bell button or the built-in motion sensor detects movement, homeowners get an instant notification on their smartphones, enabling them to see and speak with the visitor no matter where they are in the house or in the world. Video doorbell owners can also proactively wake up the doorbell on demand and see what's happening.

**45. Covered Mouse Trap**

The d-CON® No View, No Touch™ Trap hides dead rodents from sight and protects the user when throwing them away. The trap kills mice instantly and seals in a snap. To use the product, peel back the small self-adhesive label to apply bait. Bait is approximately a pea-sized amount of whatever is on hand, like peanut butter or cheese. Then, reseal the self-adhesive label over the compartment and turn the trap over. Once a mouse is caught, discard the entire trap.

#### 49. Electrical Fire Safety

Fire Shield™ products, with patented Heat Sensor Technology, constantly monitor the heat created at the wall receptacle and devices plugged into it. If a high level of heat is detected, Fire Shield triggers an alert by sounding an 80-decibel alarm and emitting a flashing red LED light, giving individuals an advanced warning of a potential issue before it becomes dangerous. The integrated self-test button confirms Fire Shield is monitoring electrical safety, and tamper-resistant receptacles keep small hands from accidental shock.
