The dish on dishware: Today's lifestyles are changing our dinner table

BY ELAINE MARKOUTSAS AT HOME COMMENTS

All you need is wine glasses to create these fetching LED votive holders. The di Potter shades are manufactured out of vellum that can be easily folded and set on top of the glasses. They come in a variety of colors and patterns to go with any style of decor, priced at \$22 for a set of 6, with two shades of each pattern (www.dailygrommet.com). (Daily Grommet)
