1 Isabelle Grace Jewelry Each piece is made by hand in the US. They take a little longer, but it's worth the wait. Each piece is expertly crafted with your special message, names and inspiration. Only the highest quality materials are used in the creation of our jewelry, fine and sterling silver, 22kt gold, 14kt gold filled, and semi-precious gemstones. For more information, visit www.isabellegracejewelry.com

2 Carry-All Handbag Offers mom a sophisticated, yet functional bag that can be compartmentalized to separate baby and personal items. Available in chocolate suede and black, tan, red and pink leathers to match every taste and style. Prices start at \$240. For more information, visit www.jill-e.com

3 Voice Quilt This unique keepsake captures voice-based memories by asking everyone to call a toll-free number and record greetings, toasts and

tributes. A VoiceQuilt looks and works like an heirloom music box, but when the lid is opened, the box plays voice messages from family and friends. Prices start at \$59.95. For more information, visit www.voicequilt.com

4 Glass Photo Jewelry Surprise mom with a favorite photo she can keep close at all times. Options include glossy glass-like photo charms as necklaces, bracelets, earrings, and more. Simply select a design or utilize the design-it-yourself option and within minutes, your shopping is done. Prices start at \$40. For more information, visit www.little-windows.com

5 Stated in Style The “BFF” chat charm comes in sterling silver and 14K yellow gold. Other fun social sayings such as “OMG” and “LOL” are also available. Prices start at \$50. For more information, visit www.gemvara.com
