LE WHIF, INHALEABLE CHOCOLATE

## Whiff It Good

 PRINT  SHARE  BUZZ UP!  retweet  FACEBOOK

**TAKE A BREATHER:** Growing up, the words “take a whiff” were never pleasant. But now, thanks to Le Whif breathable chocolate and coffee, we are going to be inhaling all day long. Le Whif is a fun, new way to experience chocolate and coffee without all of the

calories. A quick puff from the patented lipstick-sized device will give you the perfect amount you need to satisfy your cravings. With different flavors such as chocolate, mint chocolate, raspberry chocolate and coffee, you can sprinkle them into your mouth and never see a spill anywhere. (Say bye, bye to coffee stains.) Did we forget to mention each puff is less than a calorie? Sold. **GET IT:** \$8/pack of 3. [lewhif.com](http://lewhif.com)
