BRAIN FOOD COMBAT ALZHEIMERS PRESENTED BY ALL AMERICAN ASSISTED LIVING

Thursday, Aug 22 6:00p
Cameron's On The Green
East Bridgewater, MA
All American Assisted Living (AAAL) presents Dr. Emerson Lombardo, with more than 30 years of experience in Alzheimer's disease research and the creator of the Memory Preservation Nutrition® program, will share her insights on the relation between food and brain health for seniors. Located in Hanson, AAAL offers a range of residential options featuring comfortable and affordable two-bedroom suites and the Rose Lane Memory Care, a secured environment for people with forms of memory loss.
