THE LAWN ON D

Visit The Lawn on D

When: Events throughout the fall

Where: [420 D St](#) (Seaport District)

The Lawn on D is Boston's first experimental outdoor interactive public space with ongoing programming and events located in the heart of the Innovation District (we have one of those?). Every Thursday, Friday, and Saturday, the Tent will be open, featuring your favorite food trucks and snack vendors as well as local beer and wine selections. Visit the ArtLAB (if you're artsy), play some complimentary lawn games (cornhole, bocce...), or just chill on the grass and listen to live music. Thanks, innovation!
