LAUNDRESS With an unbelievable array of laundry tools (cleaning pails and buckets, stain brushes, sweater stones, washing bags) along with an even more incredible selection of detergents (whites, darks, denims, sports, wools and more), it's no wonder retail giant J.Crew selected Laundress to create a line of laundry products for the retail company.

Available at Bloomingdale's at Town Center at Boca Raton; prices vary; www.thelaundress.com

LINENS & THINGS

Three laundry lines to beautify your clothes and linens.

LE BLANC The linen-wash line out of Tampa, Fla., doesn't just clean clothes – it also offers linen washes, towel washes, lingerie washes and down washes. A plus? The line is ecofriendly and biodegradable.

Available at Linen Closet and Pioneer Linens; \$31 to \$33 for a 64-ounce bottle of detergent; www.linenwash.com

CALDREA This line just underwent a redesign, and we can't say we're complaining. Not only is the packaging gorgeous, but the scents offer true aromatherapy for your laundry, as well as special detergents for delicates, sports items and darks.

Available at National Marine Suppliers and Lifestyles of Lynne; \$18 for a 64-ounce bottle of detergent; www.caldrea.com

EDITOR'S PICK: Colored Nail Treatments

Dermelect's ME Collection of Colored Anti-Aging Nail Lacquers are nail treatments disguised as nail polishes. The peptide-infused treatment strengthens weak, brittle nails and restores flexibility. It's water- and detergent-resistant for extended, chip-free wear. Plus, 30 percent of net proceeds of the Provocative pink color will be donated to CEW's Cancer and Careers during October, National Breast Cancer Awareness Month.

Available at www.dermelect.com; \$14/bottle

Smart Mascara

Four products that combine beauty and brains.

1. Clinique Bottom Lash Mascara; \$10; Available at Clinique counters; www.clinique.com

IQ FACTOR: The first-of-its-kind mascara uses thermal technology to stay on for 24 hours, resisting cold water, heat and humidity. The micro-mini brush is perfect for bottom and corner lashes.

2. Givenchy Noir Couture Mascara; \$32; Available at Sephora; www.givenchybeauty.com

IQ FACTOR: Givenchy made beauty headlines in 2008 with Phenomen' Eyes, a sphere-shaped precision wand that was like nothing on the market. Its newest release multiplies that wand by three. The tri-spherical wand coats lashes with a plant-derived Brazilian wax that works to improve lash health over time.

3. Guerlain Noir G Mascara; \$49; Available at Neiman Marcus; www.guerlain.com

IQ FACTOR: Noir G mascara combines its luxe, uber-defining mascara formula with a refillable, compact jewel case that opens to reveal a mirror, making it easier to apply mascara on the go.

4. Le 2 de Guerlain; \$36; Available at Neiman Marcus; www.guerlain.com

IQ FACTOR: Guerlain just refuses to be ordinary – Le 2 de Guerlain is a two-brush mascara, the first for voluptuous upper lashes and the second, tilted to exactly 7 degrees, for bottom and corner lashes.
