Palmer's Cocoa Butter Formula Facial Care Products

The brand you've trusted for baby soft arms and legs has finally branched out into facial care. The all-inclusive line features a daily cleanser, daily lotion, night renewal cream, eye cream and scrub. It features a swirl of vitamin E, retinol and evening primrose and milk proteins for a healthy, non-greasy glow. 0.5-5.25 oz., \$10-\$15, palmers.com

Fefe Dobson is a Cocoa Butter baby.

Philosophy Miracle Worker

Look young *and* beautiful with Philosophy's Miracle Worker products. The antioxidant pads and anti-aging fluids fight discoloration and minimize the appearance of enlarged pores. Go on, face the day with smooth, radiant skin. This is a must-have for any diva's beauty arsenal. *a.m. duo* \$58, exclusively at sephora.com

Dermelect Resurface Stem Cell Reconstructing Serum

Suffering from too much ultra-violet exposure? Get flawless skin with the Dermelect Resurface Stem Cell Reconstructing Serum. The Alpine Rose-based solution helps regenerate cell vitality, contains UV stress protection and prevents the formation of unsightly wrinkles and fine lines. 1.0 oz., \$75, dermelect.com

SPLURGE!

Urban Decay urban lash

Upgrade your favorite falsies with Urban Decay urban lash mascara. Apply lashes, then use the small, football-shaped brush to fuse your lashes to the store-bought ones for a lush, velvety look. Play nice, ladies! Share the secret with all of your besties. \$18, macys.com

STEAL!

Rimmel London Glam'Eyes Day 2 Night

Don't be shy! Bat those lashes with Rimmel London Glam'Eyes Day 2 Night mascara. The dual cap provides customizable results. Pop the pink cap for more length or the black one for crazy volume. Solange Knowles, one of the beauty brand's fresh faces, would definitely approve. \$8, cvs.com
