Jessica Sherlock of Bark Place shares the season's best gifts for furry friends.

This holiday season, don't forget your furry friends. Head over to [Bark Place](#) on the corner of Washington St. and Mass Ave. for all your pet lover gift needs.

Jessica Sherlock from Bark Place recommends their special holiday clothing selection including **harnesses** from around \$25 to **sweaters** just above \$30.

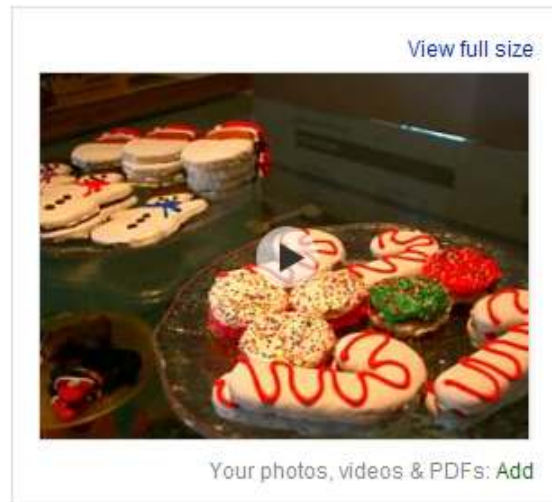

Pick up an adorable **plush candy cane** or gingerbread man for the pup in your life for around \$13.

Bark Place has a **full bakery** that has gone to the dogs including donuts, cookies, cakes and more, all made without sugar and gluten free.

Bark Place also offers **gift certificates** for their self or full-dog grooming services as well as their "Playcare" daycare for dogs. Join them Dec. 11 for their holiday party from noon - 4 p.m. and stay on the lookout for their Wellness Program every Saturday in January.

Click on the video above to view these gifts, and others, available at Bark Place.

***About this column:** A round-up of gift ideas available at local stores. This holiday season, ditch the malls and support local businesses instead.*
