Rosacea relief

Red is a fabulous color, but not on your face. Redness Rehab Rosacea Relief by Dermelect is formulated with calming ingredients that soothe, hydrate and brighten skin. Anti-inflammatory properties in the cream work to relieve blotchiness and, over time, improve skin tone and lessen the look of broken capillaries. Redness Rehab is oil, fragrance and paraben-free and is gentle enough for all skin types. It costs \$42 through www.dermelect.com.
