

First Look at Basho, Serving Up Sashimi in Fenway

4/20/10 at 2:00 PM | [Comment](#)

Basho is now fully operational and we've got a craving-inducing slideshow of a few of the dishes, along with the space. The main design theme here is clean, simple decor: white furnishings with hints of spring green. There's a relatively secluded private dining area for parties, as well as ample seating at the sushi bar.
