## DRAMA CENTER

**T**HE STAKES ON ABC'S documentary *Boston Med* couldn't be higher. Lives hang in the balance as concerned doctors and nurses make split-second decisions at Mass. General, Brigham and Women's, and Children's hospitals. Dr. Kimberly Parks, a transplant cardiologist

whose patient awaits a heart in episode five, says, "Even though physicians appear complacent, behind closed doors we probably aren't."

To celebrate the work performed by local health-care professionals, Basho Japanese Brasserie hosts viewing parties with discounts

and special drinks for hospital employees with ID. Raise a Morphine Drip to them on Thursdays at 10 pm.

LINH TRANBRINCAT

**Therapeutic Thursdays** take place weekly from 8–11 pm (screening at 10 pm) at Basho Japanese Brasserie, 1338 Boylston St., Boston (617-262-1338) bashosushi.com.
