NEW ON THE SHELF

Gluten-free cookies

Nui Foods LLC, Anaheim, CA, launched a line of gluten-free, keto-friendly cookies. Sweetened with erythritol and monk fruit extract, the products are made with butter, coconut oil, MCT oil and a blend of almond and coconut flours. The cookies have 6 g protein and 1 to 2 g sugar and come in four varieties: peanut butter, snickerdoodle, chocolate chip and double chocolate. Ten packages are sold in bulk, and each package includes two cookies.
